About the Event

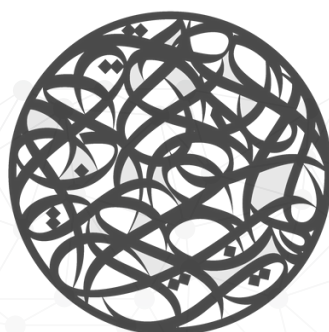

Cyber Oasis 1.0 is a Capture the Flag (CTF) Hackathon focusing on offensive security and penetration testing. Participants from Tunisia, Algeria, and Libya will compete for 17 hours to solve real-world style hacking challenges.

Dates & Venue

Dates: November 7–9, 2025

Venue: Faculty of Science of Gabès (FSG), Gabès, Tunisia

Competition Duration: 17 hours (non-stop)

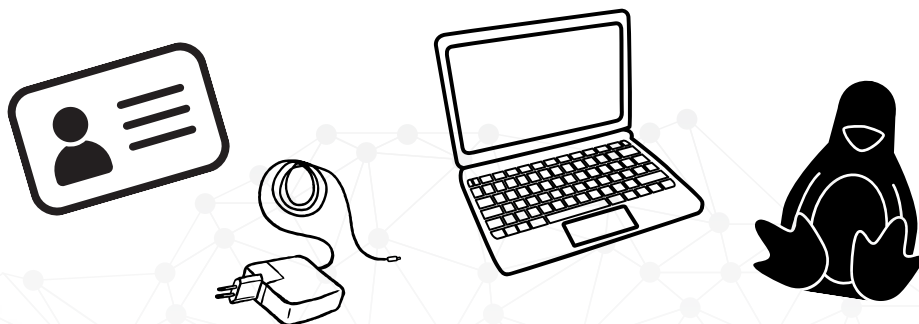

Team Structure

- Teams are composed of 2 participants (duo format).
- Each team must designate one Team Captain who will handle communication with organizers.
- Teams must bring their own laptops (BYOD). Power and internet will be provided.

What You Need to Bring

- Laptop (recommended: 8 GB RAM, 50 GB free disk, updated OS).
- Power adapter.
- Personal tools/software (Kali Linux, Burp Suite, Wireshark, etc.).
- Valid ID (student card or national ID).

Allowed Tools

Allowed	Not allowed
Standard pentesting tools (nmap, Wireshark, Burp Suite, John the Ripper, etc.)	DoS/DDoS tools.
Custom scripts developed by the team	Any attempt to disrupt infrastructure, scoreboard, or other teams.
Free/open-source tools.	

Support During the Event

- A Help Desk will be available 24h.
- Use the ticketing system in the platform for technical problems.
- Staff on-site will help with logistics and rules clarification.

Event Schedule

DAY -1

November 7th

- Arrival and welcome of delegations.
- Accommodation assignment.

DAY 1

November 8th

- 08:30 – 09:30: On-site registration.
- 09:30 – 10:30: Opening ceremony.
- 10:30 – 12:00: Keynote conferences.
- 14:00 – 16:00: Technical workshops.
- 16:00 – 17:00: Ethics roundtable.
- 20:30 – 22:30: Networking evening.

DAY 3

November 10th

- 10:00: Hackathon ends. Flag submission closes.
- 13:30 – 14:00: Closing ceremony & awards.

Competition Instructions

Platform

- All team creation, flag submission, and scoreboard tracking will be handled through the official platform.
- Teams receive login credentials at registration.

Flags

- A valid flag is in the format: KYBS{...}.
- Flags must be submitted via the platform only.

Issues

- If your challenge instance is unreachable, open a support ticket via the platform.
- Do not attempt to attack or reset infrastructure.

Rules of Engagement

- Attack only the targets provided.
- No DoS/DDoS attacks.
- Do not attack the scoreboard, internet, or other participants.
- No flag sharing between teams.
- Respect staff and participants.

Sanctions: warning → score penalty → disqualification.

Scoring System

- **Easy machine:** 20 pts
- **Medium machine:** 40 pts
- **Hard machine:** 70 pts

First Blood Bonuses:

- First user flag on a machine: +5 pts
- First root flag on a machine: +10 pts
- Ranking is updated live on the scoreboard. Tie-breaker: fastest solving time.

Deliverables

- Teams must submit flags through the official platform only.
 - No jury presentations required.
- 

Certificates & Prizes

- Certificates of participation for all.
- Prizes for top-ranking teams, supported by sponsors.
- Special awards may be given for fastest solves or outstanding performance.

Dispute Resolution

- Disputes can be raised through the platform.
- Organizers review and respond within 2h.
- Organizers' decision is final.

Respect the rules. Break everything else.
